2010 FIFA World Cup - South Africa June 11 - July 11

Round of 16 Knock-Out

Now in its fifth year, the Timbuktu Challenge heads deeper into the African continent, and after crossing the Sahara Desert ends in Timbuktu. Once in Mali, all vehicles are donated to local charity auctions.

The concept of the 'banger challenge' was invented in 2002 to parody the real 'Paris-Dakar', to show that people on a limited budget can go where the big boys go... and do some good in the process!

This year, a local team is participating! We'll be crossing 10 countries, 2 bodies of water, a desert and several landmine fields. Please visit our website, have a look around and give us your feedback!
